

# BILAT USA 4.0

*Enhancing international  
cooperation in science  
and technology between  
the European Union and  
the United States of  
America.*

## Objectives

### Tackle Key Societal Challenges

- ▶ Identify and demonstrate the mutual benefits of Science and Technology cooperation.
- ▶ Support research and innovation partnerships in shared scientific priorities.

### Support the Policy Dialogue

- ▶ Provide in-depth analysis to support strategic science & technology policy decisions.
- ▶ Improve framework conditions to facilitate cooperation.

### Invest in Research & Sustainable Growth

- ▶ Contribute to an increase in U.S. participation in Horizon 2020 and European participation in US funding programmes.
- ▶ Advocate policies that promote new and existing partnerships.

### Act as a Networking Platform

- ▶ Provide up-to-date information via website, social media and other channels.
- ▶ Organize events to raise awareness about project activities & results.
